### Your Wedding Day is a special event!

The Pioneer Church at the Baker Cabin Historical Site will bring to your wedding the feeling and permanence of history. With the charm of a woodland Chapel, the Pioneer Church is available for weddings, rehearsals, renewals of vows, christenings, and memorials.

Comfortable seating for up to ninety guests in a white interior, richly appointed with wood and classic stained glass windows. The antique pump organ compliments the excellent acoustics so everyone feels like they are in the front row. Outdoor Garden ceremonies accommodate larger groups.

Located east of exit 12-A off I-205. Take Hwy 212 east, then Hwy 224 to Carver. Turn right to cross the Clackamas River, then left after the bridge, then right on Hattan Road, go one block. 18001 S. Gronlund Road.

The church is one room approximately 24 x 30 feet with double doors opening to a center aisle carpeted with a dark rose runner. Electric lights may be dimmed to your preference. Pews have flower and bow hooks.

Frameable watercolor reproductions and notecards are available for invitations, thank-you notes, and for wedding party memory gifts.
